

Vintage 2021 (En Primeur tasting)

Nuits St Georges red 1er cru Terres Blanches 2021 - 16.5+

Cask sample. Lightish crimson. Scented with tart dark-red fruits and a lovely savoury edge that brings a touch of Nuits pepperiness. Firm, pure; the tannins so fine that you barely notice them as they shape the fruit. Dry, mouth-watering and perfectly balanced. Needs time. (JH)

Nuits St Georges 1er cru Aux Perdrix 2021 - 17+

Smells richer and darker than the Terres Blanches. Still that hint of pepper but altogether more generous without losing an almost floral scent. In fact, this reminds me more of Morey-St-Denis with its lovely combination of floral scent and spicy, darker, structured fruit. Darker and more Nuits on the palate. Great balance between fragrance and structure, and a long finish. (JH)
